Terms and Conditions

1. Introduction

These Terms and Conditions govern the use of the Product and any Card. Please read them carefully and keep a copy for your records.

You will be considered to have agreed to be bound by these Terms and Conditions if you activate a Card.

Both the Product and your Card must be activated before it can be used.

By agreeing to these Terms and Conditions, you agree that you are financially responsible for all uses of your Card, except where stated otherwise in these Terms and Conditions.

By agreeing to these Terms and Conditions, you also:

- Acknowledge that you have been given a copy of the PDS; and
- Acknowledge and agree to the information and disclosures contained in the PDS.

We are not currently a subscriber to the ePayments Code but we warrant that we will comply with the ePayments Code in our dealings with you relating to the Product to the extent we would be required to do so if we were a subscriber to the ePayments Code.

All amounts of money stated in these Terms and Conditions are in Australian dollars.

In these Terms and Conditions, the singular includes the plural and vice versa.

References to days, times or periods of time in these Terms and Conditions are reckoned according to the Australian Eastern Standard Time.

2. Acquiring the Product

To acquire this Product you must be a member of Shoalhaven Ex-Services Group.

When acquiring the Product, you will need to provide to Shoalhaven Ex-Services Group a valid form of identification so that your identity can be verified.

3. Cards

When you acquire the Product, you will be issued with a single Card. The Card will provide eftpos prepaid card capabilities.

There must be a sufficient Available Balance before a Card can be used. That is, the Available Balance must be equal to, or exceed, the amount of any purchase to enable that purchase to proceed.

The Card is not a credit card, and we do not advance funds to enable purchases or withdrawals.

The Card remains the property of Cuscal and you must surrender it to us or our agent if we or our agent asks for it to be surrendered.

You must not give your Card to anyone else.

4. Activation of Cards

The Product and the Card must be activated before you can use a Card.

Activation of a Card can be done via the following channels:

- Website
- Interactive voice response (IVR)
- Shoalhaven Ex-Services Group customer service desk

5. Use of the card and your responsibilities

A Card can be used anywhere that the Card is accepted to pay for goods and services.

You agree not to make or attempt to make transactions that exceed the Available Balance.

If you make or attempt to make any transactions that exceed the Available Balance, then you will be liable for any Negative Balance along with any reasonable costs or interest we incur in recovering or attempting to recover from you the amount you owe us.

If a Negative Balance arises, that does not mean that a Negative Balance will be allowed to arise or be increased on subsequent occasions.

We may restrict or stop the use of a Card or the Product if excessive use of a Card or other suspicious activities are noticed.

You cannot "stop payment" on any transaction after it has been completed. If you have a problem with

a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved. If you cannot resolve the dispute with the merchant, you can complete and return the Dispute Resolution Form available on the Website or contact NEXT via Customer Assistance and follow our dispute resolution process. You should not contact eftpos.

If you are entitled to a refund for any reason relating to a transaction, you agree to accept the refund under the policy of that specific merchant. Refunds may be in the form of a credit to your Available Balance or in store credit.

We are not liable in any way when authorisation is declined for any particular transaction, regardless of the reason.

You are responsible for all transactions using a Card, other than as stated elsewhere in these Terms and Conditions (for example, see section 13 Liability for Unauthorised Transactions).

You must not permit anyone else to use your Card. If you do, you will be responsible for any transactions initiated by that person with the Card.

You may not make pre-authorised regular payments through the use of a Card.

6. Funds Credit

Funds Credit can be loaded only as specifically provided in these Terms and Conditions. This is not a facility by which Cuscal takes deposits from you.

If you have an account with an Australian financial institution which supports direct entry payments through the Bulk Electronic Clearing System you can register your BSB and account number via the Website to conduct one time or scheduled bank transfers. Separate terms and conditions will be provided to you for that service and you will need to accept the agreement for that service in order to register your bank account via this facility.

You can load Funds Credits by using BPAY®. BPAY is an electronic payment service by which payments can be made through a number of Australian banks, building societies and credit unions. To load Funds Credits by BPAY, you may need to register for internet or phone banking with your financial institution. Your financial institution may charge transaction fees relating to Funds Credits transmitted by BPAY. For more information, please visit your financial institution's website.

You can also load Funds Credits by converting loyalty points to Australian dollars.

We do not charge a fee for card loads or reloads.

Any communication method to allow you to load Funds Credits is dependent upon our receiving your instruction via that communication method and is subject to interruptions or delays that the communication

method may experience from time to time. We take no responsibility for any delay or failure in the communication method.

Shoalhaven Ex-Services Group may also load Funds Credits to your Available Balance based on Promotions. The value of the Funds Credits will be dependent on the prize value of the specific Promotion being run within the venue at that time. Promotions are managed under the Shoalhaven Ex-Services Group Club Ltd Membership and Loyalty Terms and Conditions.

Funds Credit by Funds Transfer will become part of your

Available Balance within 24 hours from the time your financial institution confirms funds are available in your bank account.

Funds Credits by BPAY will become part of your Available Balance within 72 hours from the time the Funds Credit was initiated.

Funds Credits by points conversion will immediately become part of your Available Balance.

Promotions will become part of your Available Balance on approval of the Funds Credit by Shoalhaven Ex-Services Group.

Any fees payable in relation to a transaction will be added to the amount of that transaction, and the total amount will be deducted together.

9. Limitations on use of Cards

The following limitations apply to use of your Cards:

- A Card may not be used for, and authorisation may be declined for, any illegal transactions. Authorisation will also be declined for any internet gambling transactions and money transfers.
- When using a Card with some merchants (such as hotels, rental cars, restaurants and cruise ships) or for mail order purchases, Card “tolerance limits” may apply. This means that the merchant may obtain an authorisation or approval on a Card for an amount up to 20% more than the total bill (or anticipated bill) to cover additional items such as tips and incidentals or to ensure that adequate funds are available to cover the final purchase. The entire amount of the authorisation or approval will be debited and will not form part of the Available Balance until the authorisation or approval clears, although only the amount actually spent will be finally deducted from the Available Balance after the authorisation or approval clears. The amount by which the authorisation or approval exceeded the final purchase amount will be added back to the Available Balance when the authorisation or approval clears.
- There is no cash withdrawal via ATMs or cash out at POS available on the Product.
- Some merchants may choose not to accept eftpos cards.

Periodic transaction limits apply to the Product. These limits are as follows:

- Total POS/EFTPOS purchases in a 24-hour period are limited in aggregate value to AUD \$4,999.
- Merchants may impose additional limits.

10. Personal identification number (PIN)

The PIN for a Card will be set at the time of Activation of the Card.

You may change the PIN for a Card either via:

- Website
- Interactive voice response (IVR)
- Shoalhaven Ex-Services Group customer service desk

If you forget a PIN, please go to the Website and follow the steps for PIN reveal.

Should an incorrect PIN be entered three times when a transaction is attempted using a Card, the Card will be temporarily suspended. Please go to the Website to reset your PIN try counter, alternatively the Card temporary suspension will automatically be removed the next calendar day.

11. Security of Cards and PINs

Because anyone who has your Card and PIN can make transactions on your account, you must take special care to protect them.

To protect your Card you must:

- Carry it with you whenever you can;
- Regularly check that you still have your Card;
- Not give your Card to anyone else, including a family member or friend.

To protect your PIN, you must:

- Try to memorise it;
- Destroy our letter telling you your PIN (if applicable);
- Not write or record a PIN on your Card, even if it is disguised;
- Not keep a record of your PIN with or near your Card;
- Not share your PIN with anyone, including family members, friends and our staff;
- Make sure that nobody watches you enter your PIN at Electronic Banking Terminals;
- Never enter your PIN in an Electronic Banking Terminal that does not look genuine, has been modified, has a suspicious device attached to it or is operating in a suspicious manner;
- Make sure that you do not leave anything behind when you complete a transaction, including leaving your Card unattended in or at an Electronic Banking Terminal;
- Notify us immediately if your PIN mailer has not been received intact, or if a PIN change has taken place without being requested.

If you make a record of your PIN, you must either take reasonable steps to prevent unauthorised access to the record or ensure the record is reasonably disguised. We do not consider that you have made a reasonable attempt to disguise a PIN if you only:

- Record it in reverse order;
- Record it as a series of numbers with any of them marked to indicate the PIN;
- Record the PIN as a telephone number with the PIN in its correct sequence anywhere within the telephone number;
- Record the PIN as a telephone number where no other telephone numbers are recorded;
- Disguise the PIN as a date or as an amount.

There may be other forms of disguise which may be similarly unsuitable because of the ease of another person working out your PIN.

You must not act with extreme carelessness in failing to protect the security of your PIN. Extreme carelessness is a degree of carelessness that greatly exceeds what would normally be considered careless behaviour. (An example

of extreme carelessness is writing your PIN on your Card.)

You must not select a numeric PIN that represents your birth date or an alphabetical PIN that is a recognisable part of your name, because the consequences of doing so are that the PIN is more likely to be easily guessed and could result in Unauthorised Transactions.

You must promptly notify us if:

- A Card is misused, lost or stolen; or
- A Card is damaged or not working properly; or
- The security of a PIN is breached in any way; or
- There has been an Unauthorised Transaction in respect of your Product; or
- There is reason to believe any of the above might occur or might have occurred.

If there is an unreasonable delay in giving this notification, you may be responsible for the losses occurring as a result of the delay.

The notification can be made by phone to Customer Assistance, 24 hours a day, 7 days a week. The notification must then be confirmed in writing. We may require the written confirmation to be made on a particular form or sent to a particular address.

12. Replacement of Cards

You may request a replacement for a Card if it is misused, damaged, lost or stolen, but we reserve the right, in our sole discretion, to decide whether to issue a replacement Card. A replacement Card fee applies (see section 8 'Fees'). We do not have to issue a replacement Card if you have failed to comply with the law or these Terms and Conditions, if we believe that doing so may cause loss to you or us, if we suspect that the Product has been used illegally or if there is a legal restriction on our issuing the replacement Card.

In order to request a replacement Card, please attend the Shoalhaven Ex-Services Group customer service desk where staff will arrange a replacement Card for you.

13. Liability for Unauthorised Transactions

Your liability for losses arising from Unauthorised Transactions will be determined under the ePayments Code.

You are not liable for loss resulting from an Unauthorised Transaction where it is clear that you have not contributed to the loss.

You are not liable for loss resulting from an Unauthorised Transaction if the cause of the loss is:

- Fraud or negligence by an employee or agent of Cuscal, a third party involved in networking arrangements, or a merchant or their employee or agent; or
- A Card, identifier or PIN which is forged, faulty, expired or cancelled; or

- A transaction requiring the use of a Card and/or PIN that occurred before you received the Card and/or PIN (including a reissued Card and/or PIN); or
- A transaction being debited more than once to the Available Balance; or
- An Unauthorised Transaction performed after we have been informed that a Card has been misused, lost or stolen, or that the security of a PIN has been breached.

You are not liable for loss resulting from an Unauthorised Transaction that can be made using an identifier without the Card or a PIN. Where a transaction can be made using a Card, or a Card and an identifier, but does not require a PIN, you are liable only if you unreasonably delay reporting the misuse, loss or theft of a Card.

You will be liable for losses arising from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to the loss through fraud or breaching section 11 Security of Cards and PINs of these Terms and Conditions. In those circumstances, you are liable in full for the actual losses that occur before the loss, theft or misuse of a Card or breach of PIN security is reported to us, but:

- You are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- You are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- You are not liable for the portion of losses that exceeds the Available Balance; and
- You are not liable for the portion of losses incurred if we and you had not agreed that the Available Balance could be accessed using the Card or identifier and/or PIN used to perform the transaction.

You will be liable for losses arising from an Unauthorised Transaction if we can prove on the balance of probability that you contributed to the losses by unreasonably delaying reporting the misuse, loss or theft of a Card, or that the security of the PIN has been breached. In those circumstances, you are liable in full for the actual losses that occur between when you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, and when you reported the security compromise to us, but:

- You are not liable for the portion of losses incurred on any one day in excess of any applicable daily transaction limit; and
- You are not liable for the portion of losses incurred in any period in excess of any applicable periodic transaction limit; and
- You are not liable for the portion of losses that exceeds the Available Balance; and
- You are not liable for the portion of losses incurred if we and you had not agreed that the Available Balance could be accessed using the Card or identifier and/or PIN used to perform the transaction.

If a PIN was required to perform an Unauthorised Transaction not already covered above, you will be liable for the lesser of:

- AUD \$150;
- the Available Balance; and
- the actual loss at the time that the misuse, loss or theft of a Card or breach of PIN security is reported to us, excluding that portion of the losses incurred on any one day which exceeds any relevant daily or other periodic transaction limit.

If you report an Unauthorised Transaction, we will not hold you liable for losses arising from the Unauthorised Transaction for an amount greater than your liability if we exercised any rights under the rules of the EPAL scheme, at the time of the report, against other parties to the EPAL scheme (for example, chargeback rights).

14. Disputing transactions

In the event you dispute a transaction, we may ask you to provide certain information, complete certain documentation or do certain things, such as make a police report. If we request information from you in relation to the disputed transaction, it is expected that you will supply this within 14 days. If you do not provide us with the information we request within 14 days, we may be unable to process your dispute and the disputed transaction may remain your responsibility.

Important information about chargebacks

In some circumstances, card scheme rules allow us to charge a transaction on the eftpos card back to the merchant with whom you made the transaction. This is known as a chargeback.

You should report a disputed transaction to us as soon as possible so that we may reasonably claim a chargeback right. Chargeback rights are not available for all types of transactions. If it is available, we will claim a chargeback right for a transaction on your eftpos card if:

- You ask us to do so; and
- You give us the information and material we require to support a chargeback within 210 days from the date of the original transaction;

Otherwise any chargeback right we have may be lost. The eftpos scheme rules impose time limits for initiating chargebacks.

The timeframe for disputing a transaction may not apply where the ePayments Code applies.

15. Mistaken transactions

It is your responsibility to correctly enter all information into other system or device with which you undertake a transaction or information request using a Card or Card details, including any transaction amounts. We will not be responsible for the consequences of incorrect data entries.

You will not be liable for loss caused by the failure of a system or device provided by any party to a shared electronic network to complete a transaction accepted by the system or device in accordance with your instructions.

However, where you should reasonably have been aware that the system or device was unavailable or malfunctioning, our liability is Limited to:

- Correcting any errors; and
- Refunding any fees or charges imposed on you.

16. Transaction history and statements

Periodic statements showing the transactions on your Product and the Available Balance are available on the Website.

You may check the Available Balance and the transaction history in respect of your Product, 24 hours a day, 7 days a week at the Website. If you notice any error (or possible error) in any transaction or statement relating to your Product, you must notify Customer Assistance immediately. We may require you to provide additional written information concerning any error (or possible error).

As required by the ePayments Code, we will give you a statement of transactions performed through the Product at 6-monthly intervals, unless the Available Balance is zero and there were no transactions during the statement period. Statements will be made available electronically on the Website which you can view and print anytime, and we will notify you via email when a new statement becomes available.

You can also ask for a statement to be sent electronically on request via the Website.

17. Card renewal and expiry

The Card validity is determined by your period of membership with Shoalhaven Ex-Services Group. A Card cannot be used should your membership with Shoalhaven Ex-Services Group lapse or expire.

Shoalhaven Ex-Services Group will contact you before your Card is due to expire. Should you wish to extend your membership and Card validity then you should attend Shoalhaven Ex-Services Group to organise a new Card.

If your Card expires with a positive Available Balance, and you don't wish to arrange for a replacement Card, then subject to section 21 'Available Balance on Product Cancellation', you can request that your Available Balance be returned by following the procedure in section 20 Cancellation of the Product.

18. Unclaimed monies

If you have not made a deposit or withdrawal from your Available Balance for seven years and the Available Balance is AUD \$500 or more (or any other amount that the Commonwealth Government advises from time to time), Cuscal may be required to transfer the Available Balance to the Commonwealth Government in accordance with unclaimed monies legislation.

Cuscal will usually notify you before they do this however there may be circumstances where Cuscal is not able to (such as where the record of your email address is no longer current).

You can do a free search of unclaimed money records held by ASIC (on behalf of the Commonwealth Government) through the MoneySmart website: www.moneysmart.gov.au

Unclaimed balances under AUD \$500 (or the current threshold for unclaimed monies if this changes) will remain with Cuscal and subject to section 21 'Available Balance on Product Cancellation', will be returned to you within 15 Business Days of completion of the procedure in section 20 'Cancellation of the Product'.

19. Cancellation of Cards

You may ask for a Card to be cancelled at any time. If you ask for a Card to be cancelled and we, or our agent, ask you to, you must surrender or destroy the cancelled Card and you must not use the cancelled Card.

We may cancel your Card at any time. Where possible, we will give you 20 days advance notice of the cancellation. However, we may act without prior notice if:

- We believe that use of the Card may cause loss to you or to us; or
- We believe that it is required for security purposes; or

20. Cancellation of the Product

We may cancel the Product at any time. Where possible, we will give you 20 days advance notice of the cancellation. However, we may act without prior notice if:

If we cancel your Product, we will give you notice as soon as reasonably practical afterwards.

You may ask for the Product to be cancelled at any time either at Shoalhaven Ex-Services Group or by contacting us via the Website.

If the Product is cancelled by you or by us, it means that any Card issued to you is also cancelled. If we or our agent asks you to, you must surrender or destroy the Cards which relate to the cancelled Product and you must not use the cancelled Cards.

On the cancellation of the Product, subject to section 21 'Available Balance on Product Cancellation', we will pay the Available Balance to you within 15 Business Days when:

The Available Balance will be converted back to points at a rate of \$0.01 = 1 point.

There will be instances where we are unable to determine where your Available Balance originated from. Where this occurs, the Available Balance will be credited to your loyalty program at Shoalhaven Ex-Services Group.

Please read the Shoalhaven Ex-Servicemen's Club Limited Membership and Loyalty Terms and Conditions for full details relating to loyalty points.

Our liability will not exceed the amount of the Available Balance except in relation to:

- Unauthorised Transactions (see section 13 Liability for Unauthorised Transactions); and
- Consequential losses arising from a malfunction of a system or equipment provided by any party to a shared electronic network (unless you should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability is Limited to correcting any errors and refunding any fees or charges imposed on you).
